

# Green Steel Dialogue/Workshop

## - Exchange of information and discussion -

Date and time: **27 January 2026 (Tuesday)**

**10:00 – 15:30**

Location or means: **in person**, ESTEP premises, Av Cortenbergh 172, 2<sup>nd</sup> floor, Brussels

### Objective of the workshop:

The workshop aims to share information among the ESTEP members about the state of play in regard to the definition of Green Steel. Various approaches will be presented with the possibility to discuss them. It is not intended to find a consensus nor to make a decision. At the same time, any progress towards a Green Steel definition is highly welcome.
