D) Contribution

Please consult with the coordinator, or read the JP description on the website, to define the contribution of your organisation to the JPEEIP.

Sub-programme 1: Energy Intensive Industries	
<u>Objectives:</u> Its main objective is to support the European energy intensive industry to meet the European reduction target of 40% for green- house gases and at least 27% increase in energy efficiency by 2030. The contribution to a reduction in specific energy consumption and in greenhouse gas emissions will focus on a number of targeted sectors (like metal production, pulp and paper, glass production).	
<i>What activities are you planning to contribute to SP 1: Energy Intensive Industries? How does this add value to the SP?</i>	
<i>Availability to have a leading role in the management of SP activities (SP coordinator / task leader) <input type="checkbox"/> Yes / <input type="checkbox"/> No</i>	
<i>Recent and ongoing research projects in the field:</i>	

<p><i>Other research areas that could potentially be addressed in this sub-programme which your institution would like to contribute with/to? Please outline briefly below (few sentences and/or keywords)</i></p>	
<p>Research areas falling outside the scope of the programme</p> <p>Proposal for research areas/topics that fall within the scope of the overall Joint programme, but is currently not (sufficiently covered) by the 3 Sub-programmes.</p> <p>Please outline briefly such additional areas of research that your research organisation would like to contribute to.</p>	
<p><i>What activities are you planning to contribute to this new area of research? How does this add value to the SP?</i></p>	
<p><i>Availability to have a leading role in the management of SP activities (SP coordinator / task leader)</i> <input type="checkbox"/> Yes / <input type="checkbox"/> No</p>	
<p><i>Recent and ongoing research projects in the field:</i></p>	

E) Added value and additional Information

<p><i>Please describe concisely the main benefit that the EERA JPEEIP will gain from the participation of your organisation to the foreseen research and activities.</i></p>	
<p><i>Please provide any other information you deem relevant for your application.</i></p>
